AND KITS THEREFOR

AMENDMENT

HONORABLE COMMISSIONER OF PATENTS & TRADEMARKS
WASHINGTON, D.C. 20231

SIR:

Please amend the above-identified application as follows.

IN THE SPECIFICATION

Page 11, line 2, before "malignancy" insert --a--;
line 6, replace "unresectable" with
--unresurrectable--.
Page 20, line 9, replace "phrase" with --term--.
Page 28, line 5, replace "used." with --used.
In one of its embodiments, the present invention provides
for the therapy of malignancy by either stimulating an immune
response against tumor cells or inhibiting tumor cell growth
or metastasis by genetic modification in vivo. This approach
differs from previous methods in which tumor cells are
propagated, modified, and selected in vitro.
